

Hello...

Hi...

We are a [creativdirection.xyz](https://creativdirection.xyz) - a multimedia creative agency and design studio in Brooklyn, Ny.

Nice to meet y'all! Business has been great but we are looking for someone help generate some more revenue with our marketing streategy.

That sounds great.

Before we begin I want to ask, do you already have a vision for your brand?

We have a few ideas but are looking for a new direction!

We were thinking of somthing that feels more fresh and relatable compared to what we previously had been doing.

We would be happy to take a look at your current strategy and make some suggestions...

We offer a multitude of creative services ranging from Creative Direction to Asset Design and Content management.

I would love to learn more... What are the next steps here?

Just follow this link to sign up for a call with our team:

We can then discuss the scope of your project and get some ideas flowing!

Done, thank you 🙏🙏🙏

Of course, thank you for taking the time to check us out.

Our team is very excited for the call. Is there anything else we can do to prepare?

Nope, thats it. Take a look at our website and try to get some creative juices flowing... A coffee and a good sandwitch always gets us in the mood too :)

We look forward to helping with your creative direction 📩
